REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record fails to show or to suggest an apparatus and method for measuring optical characteristics of a device under test having a combination of all the elements and steps as presently claimed wherein the optical characteristics of the optical DUT are computed by utilizing at least one amplitude and phase computation component, wherein the amplitude and phase computation component is a pair of orthogonal filters.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew Hwa S. Lee whose telephone number is 571-272-2419. The examiner can normally be reached on Tue-Fr.
